Step into the library.
Show them your ID.
They'll show you a new world.

An ever-expanding realm of information,
beckoning your exploration, and led by
librarians—human search engines, expert
navigators powered by discovery and the
relentless drive for knowledge.

From the microscopic to the telescopic,
to custom 4D views that illuminate
the hidden spaces between knowns,
somewhere between an original
audio recording that's lay dormant for
decades and a manuscript older than our
country itself, you'll realize it wasn't the
destination that's changed you.

IT'S THE TRANSIT
THAT LEADS TO
TRANSFORMATION.

WHEREVER THE SEARCH TAKES YOU,
THE PENN LIBRARIES WILL BE

YOUR

GUIDE

AND SOMEWHERE BEYOND WHAT'S WITHIN,
AND WITHIN WHAT'S BEYOND, YOU'LL REALIZE
THAT IT'S NOT WHERE YOU FIND ANSWERS,
BUT INSTEAD, WHERE THE ANSWERS TAKE YOU.
